SUMMARY

Dedicated tutor with experience teaching the full curriculum to elementary students and natural science to middle schoolers. I create engaging, supportive learning environments and offer personalized instruction online and offline. Available for 2-4 sessions per week, I aim to inspire a love for learning and help students achieve their academic goals.

WORK EXPERIENCE

Tutor

Jan 2021 - Jan 2022

- Teaching 2 children in grades 6 and 8 in Natural Science subjects.
- Develop lesson plans tailored to the needs and goals of each student.
- Evaluate students' abilities and progress through tests and assignments.
- Foster a positive learning environment to motivate students to develop self-directed learning.
- Assist in communicating with parents regarding student progress and any concerns.

Avhievements:

- Improved students from average to excellent.
- Enhanced student' critical thinking skills to increase overall subject average scores.

Teaching Assistant

Mar 2020 - Jan 2021

- Assisted and mentored students in groups and on individual basis.
- Supervised classes of 30-40 students during mealtimes, on the playground and on field trips.
- Support the use of technology in the classroom, including software and equipment.
- Assist in implementing strategies for students with special needs or learning disabilities.
